

RFP 19-01 Comprehensive Energy Assistance Program Community Outreach Service

Addendum I – Agency Answers to Vendor Questions

1. For question 13: Does the partnership in question refer to the vendor's partnership with companies on CEAP referrals or vendor's partnership with Agency on CEAP program?
This question refers to the number of staff a potential vendor will designate to work to administer the program (CEAP). Staff assigned by CEAP.
2. For question 14: Due to the new requirements and changes to the program, should the response be tailored to our new process based on the changes – or what we have previously been doing?
This response should provide a description on how your process will meet your contractual obligations.
