REQUEST FOR PROPOSAL

OVERVIEW: BUILDING UPON WHAT WORKS

BakerRipley is a nationally recognized community development agency that ranks in the top 1% of charitable groups in the nation and is the largest non-profit in Texas providing human services. The agency has been featured nationally in The New York Times, City Lab from the Atlantic, CNN, Chronicle of Philanthropy and has been included in major publications from the Brookings Institution, Urban Institute, and the Federal Reserve Bank of San Francisco, among others.

WE EXIST TO KEEP OUR REGION A PLACE OF OPPORTUNITY FOR EVERYONE.

As a regional leader in the non-profit sector, BakerRipley is at the forefront of community transformation and human service initiatives in areas such as: early childhood education, workforce development, immigration, and senior assistance. Annually, BakerRipley connects 600,000 residents to resources, education and greater connection that lead to financial stability, upward income mobility and a better life. With more than 100 years of history and experience, a $450 million annual budget, 1,500 employees and 70 locations throughout the entire Gulf Coast region, our agency is well-positioned to drive results and serve as a gateway for launching effective programs and for influencing policies that address the region's most pressing concerns.
**THE FOUR KEY INNOVATIONS FOR WHICH WE HAVE RECEIVED NATIONAL RECOGNITION HAVE PLACED US IN THE TOP 1% OF THE NONPROFITS.**

**STRENGTH BASED**

We are nationally recognized for our unique community engagement framework that lets us take on new regional challenges. While many nonprofit and government organizations still follow a “needs-based” model for community development, we use an “asset-based” model. Simply put, this approach to community development allows individuals and communities to look to their own strengths and resources, and allows us to help communities build themselves from within. To us, people have capacities, skills, and abilities that can be channeled to make stronger communities. We firmly believe that people are the “solution” and not the “problem.”

**HOLISTIC APPROACH**

Our research has shown that the core elements of any strong and vibrant community are economic opportunity, education, connection, health, and infrastructure. We have programs for each of these areas and link them so that we can take a comprehensive approach to helping families strengthen these essential elements that lead to authentic and lasting community transformation.

**LARGE WHERE IT COUNTS; SMALL WHERE IT MATTERS**

Our size and scope give us the capacity to provide an array of services to 600,000 residents each year in multiple locations covering the entire Houston region. Such economies of scale also give us the opportunity to take risks and launch new and innovative initiatives that yield results.

**LEVERAGE RESOURCES**

Our size and scope allow us to take rigid, compartmentalized, regulation-encrusted public funding streams (37) and braid them with private funding from more than 500 foundations, corporations and individuals to provide seamless and integrated solutions to the residents and communities we serve. This ability to blend numerous public and private funding sources also permits us to invest in critical infrastructure, achieve operational efficiencies and encourage program innovation to meet emerging community needs.
THERE’S WORK AND THEN
THERE’S YOUR LIFE’S WORK

BakerRipley is a well-managed and respected organization with a high-degree of accountability and efficiency. Behind our work, is a team of dedicated and passionate individuals who are driven to give families across Houston and the Gulf Coast region a chance for a better life.

WE CREATE. WE INNOVATE.
WE DO WHAT IT TAKES WITH THE RESOURCES WE HAVE TO BRING ABOUT PROFOUND CHANGE.

Our employees hail from all walks of life and have a diversity of life experiences, but we are united by a passion for our mission. The way we work and WHY we do it is at the heart of BakerRipley’s culture. It’s one based upon our core beliefs about people and defines how we show up in community. Yes, our work is challenging, but it’s real; and we couldn't see ourselves doing anything else.

- For temporary placements, Agency will not accept proposed fees of each assigned employee’s hourly rate. Agency’s People & Culture will determine the acceptable hourly rate for the positions when placing the order for an assignment.
- For temporary to hire opportunities, Agency would strongly prefer the industry’s standard of 480 hours worked prior to employee’s transition to Agency’s payroll. It is preferable that employees assigned in a temporary status who are considered for direct hire receive credit for services beginning with their first date of assignment. Agency requests the ability to hire a temporary employee prior to the 90-day period at a graduated rate to be determined with the Vendor.

For direct hire placement opportunities, Agency strongly prefers that total fees equal a rate that includes only the employee’s base salary. Agency also prefers direct hire placement refund periods spanning longer than the first 90 days of employment.
